

# **CTK Honduras Mission 2010**

## **Important – Please read before applying**

**In 2010 we will be sending two mission groups to Honduras. In March, during Spring break, we will have our first “Satellite Mission”. Our regular mission group will go in June. It is important that you understand the differences in these 2 trips before you apply.**

**The summer mission will be held from June 19 to 27, with about half the group traveling a day early on June 18. This is the same concept as our past missions with 90 to 95 missionaries staying at the Christopher Columbus Hotel in Trujillo. Medically we operate 3 village clinics, an eye clinic, and dental clinic. The hospital team holds clinics and their operating room team performs around 60 surgeries. Our school team and hearing team work in our schools and the construction team works on projects at our schools and churches. Evangelization is provided by our bilingual priest and missionaries in partnership with local delegados at all clinic sites. Encuentros are held to train the local delegados.**

**The “Satellite Mission” is a new concept that will focus on education, evangelization and construction. The dates are March 20 to 28. This trip will be limited to 20 to 24 missionaries who will stay at Casa Alamania, a small hotel located on the beach in Trujillo.**

**This missionary team will be composed of:**

- physicians, surgeons, and nurses who want to teach and work with local medical professionals**
- teachers and teens for the school team**
- construction workers**
- evangelization team consisting of a priest, team leader, and teens who held leadership roles with our CYM.**

**The Satellite Mission will not provide medical care to the villages, however, we will provide follow-up to our chronic patients at the local clinics.**

**Missionaries will be selected based on their experience and skills related to the needs of the mission.**

**This trip will be less expensive than the summer mission.**

**Please indicate on the application which trip you are applying for.**

**It is possible to participate in both mission trips.**
